

Keep It Local

Encourage prosperity in **YOUR** community:

Successful local stores, restaurants and businesses depend on local dollars. Your choice to shop at a neighborhood store, to dine at a nearby restaurant or to work with a local accountant, insurance agent or plumber helps ensure the survival of these businesses. As an added bonus, a thriving local business community attracts new businesses to the area.

Create more jobs for **YOUR** neighbors:

Local businesses combined together are the largest local employer. When you buy from your neighbor you help employ your neighbors.

The impact on **YOUR** environment:

Shopping locally reduces gasoline use and vehicle emissions. Purchasing locally grown produce and manufactured items further reduces transportation related pollution. In addition to the Farmers' Market, shoppers will find that many local restaurants and grocery stores in the area feature locally grown meats and produce.

Put **YOUR** money back into local services:

Dollars spent at local businesses return to the community in property taxes. These dollars return to you in additional funding for schools, police, fire and needed city services.

Make Your Commitment to
Buy Local Oregon City

Name: _____

Address: _____

City, State, Zip: _____

E-Mail: _____

I commit to spending my dollars locally. I will purchase goods and services, dine out and participate in local recreational activities as my part in promoting a sustainable local economy.

Mail your form to:

Buy Local Oregon City, PO Box 1960, Oregon City OR 97045

Donations welcome - please mail to the above address
